I have nothing here.

Let's part ways amicably.

Ok move if you want. I'm Not forcing you to stay but I'm closing the business so the free ride is over. I may sell the property so if you want to stay I can write a lease as the place will likely sell fast if I put it up

A one or two year lease the lease Irmghard had was for \$3800 month plus oil, electric propane and internet I'd reduce that even though actually that price was already under value and four years ago

Hi, just to let you know I'm no longer working with Mike.

I've exhausted my patience.

I had to endure the torture imposed upon me for the sake of my emotionally ill daughter who lives with me. She is now going to stay with her Mother.

Mike has the idiosyncrasy of telling me to Go "F" myself on top of a Tsunami of insults and slights etc.

Please let him know that I have enough information about the inner workings of his operation to "Bury Him".

If there is a swindler and a Liar it's him.

2:38 PM

One more attack from him and I will contact Lipson and Nikas and make his life and business ugly.

I have the goods.

I could actually save the Estate.

I'm sure the Star of Hope and the Estate would love to talk with me.

Hi Oz, I understand, hope you can get this talked out amicably ... he's ready to close his business I guess. And looking to start fresh.
